

## Refresh Your Style

Joyce Pardon, 55, entered the Mom2Mom.com spring Mother/Daughter lookalike contest and praised her daughter who also is “6 feet tall with curly hair and a happy smile.” The Chapel Hill mom of two (her son is valedictorian this spring at Princeton University, where her daughter is a freshman) dresses for comfort, but she was happy to go glam.

### Low-maintenance mama

Joyce chooses what she wears based on what's long enough for her tall frame and comfortable to wear. The bright color in her sleeveless top flatters her complexion, but the black shorts overpower the cheery color. The bermuda shorts fall just below her knees, a good length, while the thongs are fine and functional.

### Hair and makeup

Glam Lounge owner Dawn Carrington covered what she calls Joyce's “natural highlights” - her gray strands - and gave her a rich golden brown shade and haircut. Blow-drying added shine to Joyce's curls without flattening them. Foundation, eye shadows, blush and brow colors harmonize with her complexion and draw attention to her lovely face.

### Glamazon

The main accessory in this outfit, Joyce's own three-inch peep-toe pumps, add a rocker touch to this casual look. Stylish separates from Kohl's help pull that off: The Dana Buchman patterned tunic has a great color palette and falls just at hip length; the Levi's midrise skinny jeans took a while to find because of Joyce's long legs, but they really flatter her. The Croft & Barrow elbow-length cardigan, and Dana Buchman shopper handbag finish the look. The Dana Buchman metallic circles necklace adds shine and style.

### Tall drink of water

For a dressier look, we paired a Chaps green and navy floral sheath with a Dana Buchman jersey cardigan, along with the metallic necklace and shopper. The look could work for graduation or a dinner out. Stylist's own shoes and bracelet.

**Joyce's reaction:** “Thanks again to you and to The N&O for the makeover opportunity. I enjoyed the experience, and I can't wait to show off my new looks! I especially love the necklace and look forward to using it to polish off many outfits.”

Kudos to Kohl's, which provided Joyce with both outfits.
